

*(We require a legal guardian who is able to converse easily in English for students from off-island who live in the dorms or students whose parents will be travelling outside of Taiwan. The dorm parents **may not** be this guardian.)*

By signing this document, we the parents of _____
(student's name) authorize _____ (guardian's name),
to act as guardian and to make critical parental decisions regarding our son or
daughter while he/she is residing in a Morrison dorm as a Morrison boarding
student. This document will remain in effect as long as our son or daughter is a
boarding student at Morrison Academy or the parent notifies the boarding
division of a change.

By signing this document, we the guardians agree to be responsible to make
critical parental decisions for the student named above. Further, if a student
cannot stay in the dorms for any reason, (ex. the dorms are closed for breaks, the
student has health or discipline problems that require him or her to live outside
the dorm), we will be responsible for all housing arrangements until the parent
arrives in Taiwan.

My signature verifies acceptance of the terms of guardianship as stated herein:
