Morrison Academy reserves the right to open any file, directory, email account, and the like when probable cause of misconduct is found, for security reasons, or for spot checking. If, as a result of student misconduct, the school is required to repair or replace school-owned equipment, then this expense can be passed on to the student's parent or guardian at the discretion of the principal.

Morrison Academy may restrict or terminate any user's access to either school or personal devices if such action is deemed necessary to maintain computing availability and security for other users of the systems or because of inappropriate content. Other disciplinary actions may also be imposed by the Educational Technology Coach and/or school administration on an individual basis up to and including termination of enrollment or dismissal. The severity of the disciplinary action will be based upon the circumstances of the infraction and any prior abuse. (Procedure 217)
